

Madonna Arts and Science College for Women, Madurai

Annual Report 2025–2026

Introduction

Madonna Arts and Science College for Women, Madurai, stands as a beacon of holistic education, nurturing young minds through academic excellence, value-based learning, and transformative experiences. The academic year 2025–2026 has been marked by a series of vibrant ceremonies, enriching programmes, and significant institutional milestones that reflect the college's commitment to excellence and empowerment.

“Education is not just the filling of a pail, but the lighting of a fire.” This spirit is evident in every initiative of the institution—from leadership transitions and academic achievements to global collaborations and student development programmes. The college continues to foster an environment where knowledge meets character, and learning extends beyond the classroom.

Guided by visionary leadership, the institution has successfully organized various academic, cultural, and social activities that promote intellectual growth, creativity, and social responsibility. “The function of education is to teach one to think intensively and to think critically. Intelligence plus character—that is the goal of true education.” Upholding this vision, the college has empowered students to excel in academics, co-curricular activities, and life skills.

This report highlights the major ceremonies, achievements, and developmental initiatives undertaken during the academic year, showcasing the collective efforts of management, staff, and students in shaping a dynamic and progressive institution.
